

NEW YORK, NEW YORK

Local No. 1

Dear Sirs and Brothers:

John Zeimetz, card #249, travelled to Fargo, North Dakota in April, to visit his mother. It was more than just a periodic family visit since John's mother celebrated her 100th birthday on April 17. Congratulations, Winifred Zeimetz!

Bill Barthold, the new Haughton Shop Steward in Maintenance was elected by his Brothers in March. Good luck, Bill.

The Employment picture is still deteriorating here in Local 1 and with temporary cars being turned over at a steady rate, there is still that much work available.

A bill was recently defeated in Albany that would have denied strikers from receiving unemployment benefits in New York State. This brings to mind, once again, the importance of electing pro-Labor candidates at election time. Check the candidates labor voting record and vote for those who support us. It's our bread and butter.

Our sick list as of March 31: Denny Carlin, Dalton Noble, Eddie Markowitz, Don Smith, Karl Drehwing, Rudy Kacer, Jack Caci, Bob Gillis, Tom Young, Paul Russell, Bob De Bobes, Danny McKay, Sr., Joe Brady, Charles Leeds, Nick Adamo, Charlie Albrecht, Ray Dugan, Scotty Girwood, Sr., and Tony Latona.

Our sympathy to Brother Artie Charbonneau and his family on the death of his father.

"Junior" gets ready for a night on the town.

Al Caraccioli would like to know if anyone can identify the Elevator Constructor in this photo. It is obvious the young man was reared according to the standards in the Elevator Business.

As a hint on his name, the handle "Junior" was given to him by Artie Hummel many years ago.

Stay Alert For Work.
