### Local No. 1

Local #1 has won another Arbitration with Local #3 (I.B.E.W.) Elevator Division, giving us the work Jurisdiction on the installation of a new Elevator after the removal of a Hydrolic Elevator with the rails left intact. Our Business Manager, Vinny Watson should be congratulated. He is batting 1,000 percent in our fight with Local #3 for this work.

There will be a Retirement party at Throggs Neck Country Club, honoring our former Secretary-Treasurer, Nick Clifford on June 11, 1976. Hope this reminder gets to you in time.

### **Terrible Ten Challenge Dirty Dozen**

Brooklyn's Dirty Dozen, the champions of the Elevator Indstry in New York, are once again being approached to put their title on the line (along with their magnificent Trophy). The challenge is accepted and at the earliest possible date the game will be played.

Meanwhile, our next game is with the Executive Board in May or June. Anyone with Medical experience in the area of pulled muscles, exhaustion and general bruises, please attend.

The Bergen - Rockland Little Squirts' Hockey team defeated the Suffolk Royals 5-2, to take the Long Island Hockey League Championship. The Champs are coached by Brother Marty Purtell. Marty's son, Timmy was the goalie, stopping 19 shots in the game. Congratulations.

**Our condolences to Brother Eddie O'Brien, our Warden on the loss of his wife, Dorothy in April.**

Eddie Markowitz would like to thank all the Brothers who helped him. Their generosity and good will during his extended illness are deeply appreciated.

Stay Alert For Work,
