May the best men win. We will all come out united I'm sure. As you read this, 17 men will be winners and 32 losers. Keep the faith, Brothers.

Enjoy your vacations and summer. There will be no meetings in July and August. See you in September at the meeting, ready for action.

On the sick list are Charles Wiehalch, Robert Fritzsche, Robert Evans, Ken Bone and John McGonegal. Dan Sheppard is coming along well. A real rough ordeal, being mugged. Get well soon. We all miss you.

John L. O'Neill has retired. We wish you luck in your retirement, John. Drop me a line.

We have received word that two of our retired brothers are deceased. Harry McLoughlin and Eric Blank-

master. We also lost our great Dean Hansen, a member of the Examining Board. He was in the elevator business for 30 years. He was a good man. One of the best who ever set foot in a pair of elevator shoes. Dean will be missed by all who have worked for him or knew him. A loss to the Executive Board than can't be replaced. Our condolences to his family and friends.

Frank Halpin and wife went on a cruise to Nassua. Had a great time. Bob Steffens and his wife are going to Bermuda, to celebrate their 25th wedding anniversary. That is, if he returns my trimming case on wheels first. Good luck, Bob. I miss working with you.

Don't sweat it, Ed Lowe. Some day real soon you will have your card stamped with the Big M.

Joe Cancannon still doing his thing with Billy Smith at the World Trade Center.
