Local No. 1

Our first family picnic was held at Forest Lodge, Mt. Bethel, New Jersey. It was a huge success. All sports activities, a large swimming pool, plus rides and games for all were at our disposal.

The lodge is situated on 40 acres of fine facilities. The committee, chaired by John Cusack and co-chaired by Ed Demsy, Frank Costello, John Walsh, Fred Winn and Bob Brady, did a great job. About 1400 people attended, all having a ball.

Door prizes went to Jerry Sutton, a 10 speed boy's bike and the girl's bike went to Gail Burghard.

Mary Smith was the winner of a large basket of cheer. Russell Kuntz of Westinghouse won the color T.V. for the benefit of the Howard McAleese family.
