

LOCAL ROUNDUP

NEW YORK, NEW YORK

Local No. 1

Local #1 has its own Capt. Quint of "Jaws" fame. He is Pete Shultis of Westinghouse Repair (that's him with the pipe). Pete has been showing some of his Brothers and friends the adventures of shark fishing this past summer. Judging from the shark in this photo, taken by Brother Mike Doppler, I'll stay with blues.

The School Committee reports that only 200 were enrolled in courses at school this year and only 10% were card men. Even if you can spare only one night a week, there are courses available. Try it, you'll like it!

Artie Mandick is running for Town Councilman in the town of Brookhaven on Long Island. I hope this gets to you before election day.

Richard Muller passed away in September. Richard was Don Muller's brother. Our condolences.

On the sick list are Eddie Markowitz, Freddy Muller, Eddie Quinn, James Sinnott, Phil Wiemers, Rudy Kacer, Kime Asprey, John McSweeney, Eugene Derrick, George Peterson, John Zeimetz, Charlie Leeds, Vic Citrolo, Don Smith, Karl Drehwing, Tom Cullen, Tom Coleman, Jack Caci, Ed Cordle, Bob Gillis, Vinny Campbell, Tom Sabel, Bob Funk, Tom Young, Charlie Collins, Steve Ayers, Terry Mimnaugh, Sr.; Don Chatfield, Ed Bradley and Joe Con-cannon.

Retirees this month are: Leonard Mancusi, Sr.; Tom Walsh, Bill Lutz, Sr., and Mike DeLeo. Most of Tom's old friends attended along with family members and union officers, past and

present. Tom Nolan, Tom Connolly and Bob Flanagan did a fine job arranging the party.

Vinny Watson and Don Recchia look on as Ed Stymiloski presents Mike Deleo with a watch at Mike's Retirement Party.

A Retirement Party was held for Mike DeLeo at Lemko Hall in Yonkers on August 15. His friends Don Recchia, Ed Stymiloski and Bob Kusan hosted the affair.

Brooklyn's "Dirty Dozen" does it again! The well-known softball team made up of Otis maintenance men from Brooklyn took on and defeated the Brothers from the downtown office led by Frank Killeen to the tune of 26-16. Hope you all can see that trophy in the photo.

It was announced at the last meeting that T-shirts, sweat shirts and jackets with the union seal and the words Local #1 are available by either calling the union office for the address of the store, or writing to John McCue, 237 Martin Avenue, Staten Island 10314. John was responsible for having the shirts and jackets made up. The prices are: T-shirts \$3, sweat shirts \$5 and jackets \$14.

Once again Local #1 would like to thank Local #10 Washington. The hospitality shown to Vinny

Watson and John Green at their Annual Picnic was certainly appreciated.

I would like to personally thank Brother Paul Broyles, Treasurer of Local #10, and his wife Caroline; Brother Ed Wedler and his wife Jennette; and Brother Gordon Selkirk for the warm hospitality shown to us during our stay in Washington. We especially enjoyed the delicious dinner prepared by Jennette Wedler after the men returned from a wonderful day of fishing.
