

YOUR SAFETY IS AT RISK

**Don't put your life in the hands of
untrained workers!!**

- 1 Untrained people currently working on your elevators
- 2 Local One Elevator Union is currently LOCKED OUT
- 3 Elevator Companies have put your safety at risk by LOCKING OUT highly trained mechanics
- 4 Urge your building management to bring back the highly trained mechanics
- 5 The large elevator companies have put greedy demands ahead of public safety

Since 1894 we have put safety first.
